Our Story

Loft Lucia Founded in 2018, is a proudly woman-led, authenticity-driven event space. Every detail of our venue has been thoughtfully curated and expertly designed to wow you from the moment you walk in.

Prepare to fall in love with our stunning oversized French windows that flood the 3rd-floor reception space with gorgeous natural light. Our interior fixtures? All sourced from Restoration Hardware. High-end furnishings make us an excellent choice right in the heart of the West Loop. For the Chicago foodies! We bring you a state-of-the-art kitchen featuring a wrap-around stone bar set against dark and moody plaster walls. Upon entering, guests walk into a chic interior bar/lounge area on the 4th floor that overlooks our private rooftop garden. We spared no expense creating a timeless, elegant space for all to enjoy. Trust us, it's a whole vibe when you're invited to a Loft Lucia party.

We have everything you need to make your loved ones feel completely transported on your special day. With 10 years of experience in the industry, we've consistently exceeded our clients' expectations. We're serious about vendor performance and affordability, and we love fostering partnerships with small, family-owned, and women-owned companies. We are excited to plan the party of a lifetime with you!

What to Expect.

An honest and down-to-earth approach to the most important day of your life. We thoroughly vet vendors who work with our couples, so you can always rely on us to advocate for your needs.

The wedding industry can feel confusing. We make it easy! We bring you the clarity and guidance you need to make the best decision for you! We believe in fair pricing without sacrificing your vision.

We host the final walkthrough, which takes place at the end of the planning process, to review the vendor list, customize your layout, and create a vendor timeline to help everyone finalize details for your big day!

We have (3) on-site managers who handle all of our events. Rebecca, Maria, or Nicole will be there to ensure your day runs smoothly and to answer any vendor questions. You're in good hands at Loft Lucia!
